Fyffes International Graduate Management Programme

We catch up with our current
Graduates around
Central America to find out
what they are up to...

Let's meet the Graduates

Hazel Wilkinson /26

I grew up on a sheep farm in Ballysadare, County Sligo. I graduated from UCD with a Bachelor of Agriculture Science degree and I completed a Masters in Agricultural Science from the Teagasc UCD Walsh Fellowship Programme. I am now currently based in San Jose, Costa Rica in the Fyffes Organic Banana Department, having joined the Fyffes Graduate Management Programme in October 2016.

Conor Brennan /24

I'm from Sligo town, County Sligo. I graduated from UCD with a BSc (Hons) in Horticulture. I have a low intensity, mixed farming background and I am currently based on a banana farm in Belize as a Trainee Farm Manager.

Eoin Heffernan /26

I am from Dundrum, County Dublin. In September 2016, I completed my degree in Food and Agribusiness Management from UCD and entered the Fyffes Graduate Management Programme straight after. I began the Programme in Costa Rica working on our Pineapple operation but have since moved on to South Florida to gain experience within the Melon Programme.

Jack Glynn /22

I am from Bridgetown, County Wexford. I have a degree in Food Science with Business from WIT College. I started the Fyffes Graduate Management Programme in August 2016 and I am currently based in San Jose, Costa Rica in the Materials and Purchasing Department.

The Challenge!

Future opportunities may include
Farm Management, Agri Engineer, Quality Assurance, Agri Business, Operations, Audit, Food Safety and Sustainability

Jason Meenaghan /31

I come from Belmullet in County Mayo and recently graduated from UCD with a BSc. Agri. in forestry and Mandarin Chinese. I have a background in bar management and more recently with my forestry work experience with University California Berkeley. I joined the Fyffes Graduate Management Programme in July 2016 and I am currently based in Costa Rica training in all aspects of pineapple production.

Jose Oliveira /28

I come from the country side of Sao Paulo, Brazil. I'm an Animal Scientist from UNESP, in the college, I worked with sustainable systems of production, soil preparation and fertilization. I have also worked in a fertilizer factory. I started the Fyffes Graduate Management Programme in September 2016 and now I am based in San Jose, Costa Rica working with the pineapple team as a Trainee Pineapple Sales Executive.

Stella Davis /27

I come from a suckler beef farm outside Tullamore, Co. Offaly. I studied an undergraduate degree in Agri-Environmental Science at UCD and returned 2 years later to undertake a part-time Master's degree in Sustainable Agriculture and Rural Development. I started the Fyffes Graduate Management Programme in October 2016, and I am currently working in the Sustainability Department in San Jose, Costa Rica.

Mark O'Brien /23

I grew up on a potato and tillage farm outside Cahir, County Tipperary and graduated from UCD last year with a B.Ag.Sc in Food and Agri Business Management. I started the Fyffes Graduate Management Programme in September 2016 on a pineapple farm in Costa Rica. Since then have moved to Pompano Beach, Florida where we import, sell and distribute melons throughout North America.

Stephen O'Hora /22

I'm from Killala, County Mayo. I graduated from Cork Institute of Technology with a Bachelor of Science (Honours) in Horticulture. I started the Fyffes Graduate Management Programme in October 2016 and I am now currently based on a Fyffes banana farm in the North-East of Costa Rica in Central America.

Michael Hennessy /23

I was reared on a beef and sheep farm in Radestown County Kilkenny. I completed a BSc in Agriculture in Waterford Institute of Technology in 2015 and a BSc in Land Management in 2016. I joined the Fyffes Graduate Management Programme in 2016, working on Fyffes pineapple farm in Costa Rica. I am currently based on a Fyffes pineapple farm in Panama as an Irrigation Supervisor.
